In the past years, the Century has been dedicated to particular people based on their performance at Kelloggsville and especially their relationship with the students.

This year, however, we of the Annual Staff would like to recognize the entire staff and administration of the Kelloggsville school system for the wonderful job they have done, and, we are sure, will continue to do.

We would like to take this opportunity to say:

Thank you to the administration, the people "behind the scenes" who have supervised the education program at Kelloggsville;

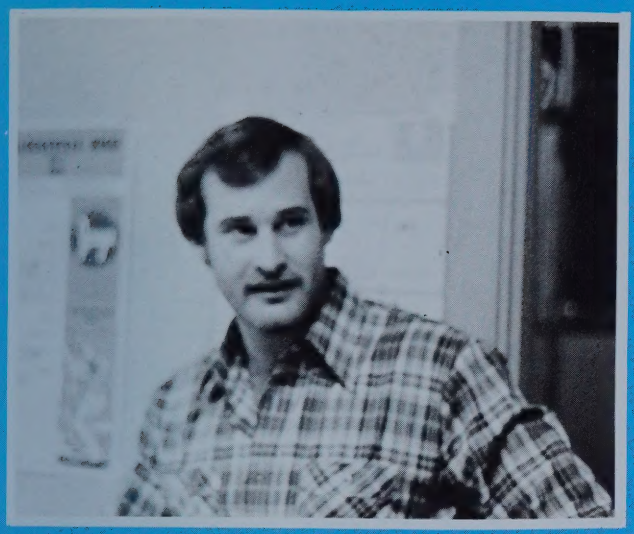
Thank you to the teachers for helping us to obtain the education on which to base our future, and especially for being there when we needed you for personal problems, or "just to talk";

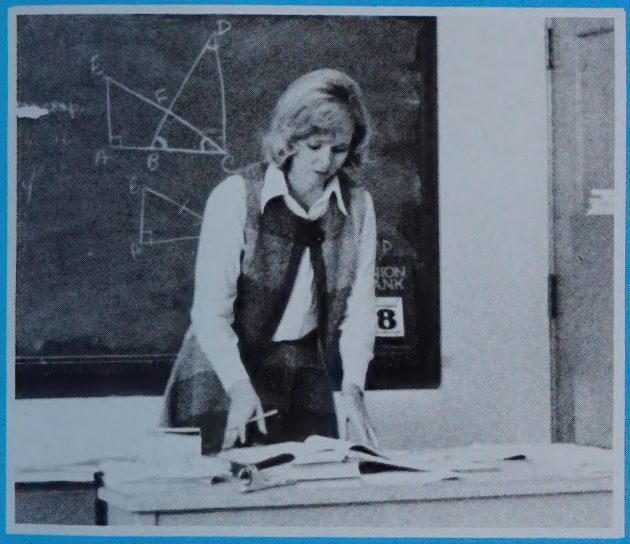
Thank you to the counselors and office staff for helping to guide us in our career and education choices, and for the many extra-curricular activities which have helped us to develop in so many different ways;

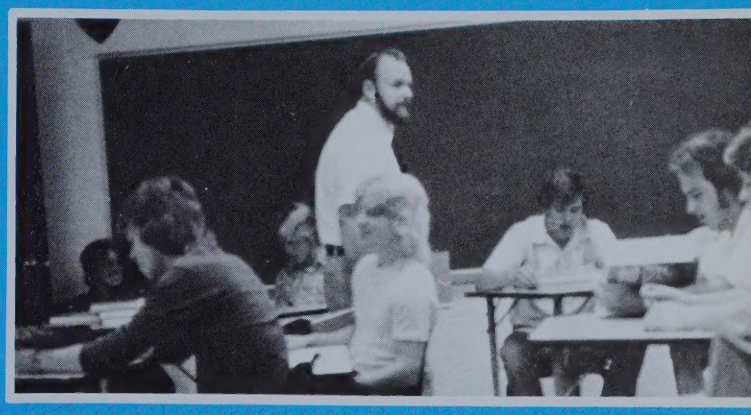
Thank you to the secretaries for keeping everything running smoothly;

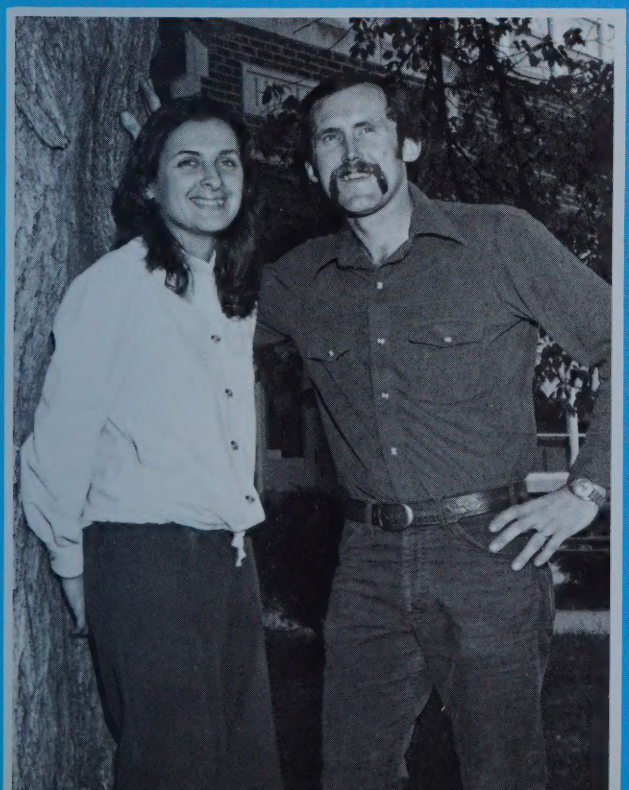
and Thank you to the custodains, who are appreciated so very much.

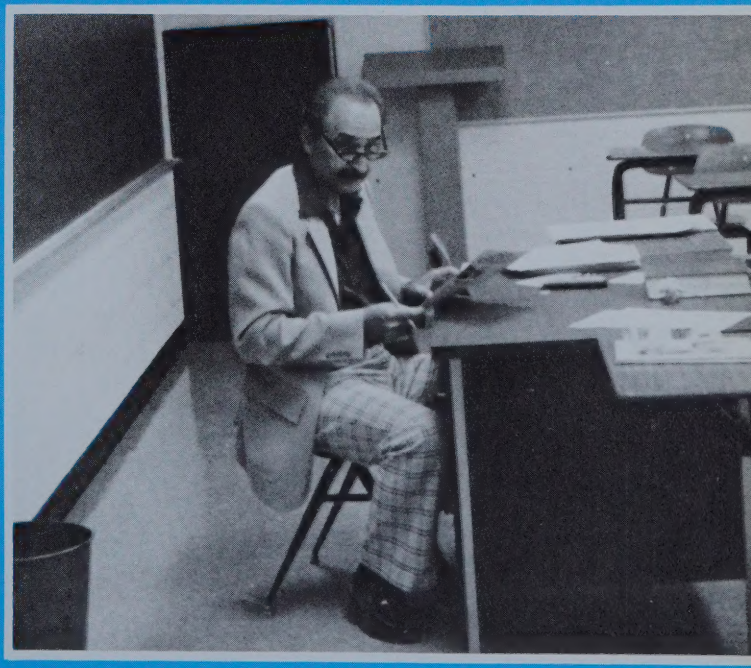
We are proud to dedicate the 1979 Century to the staff and administration of Kelloggsville.







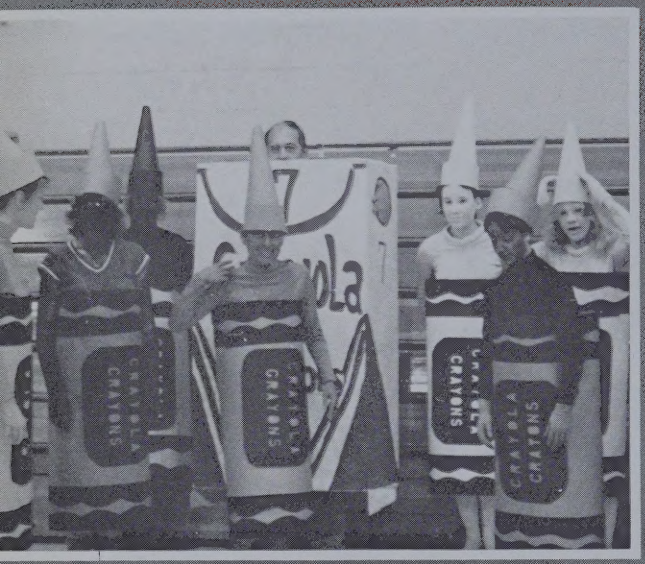


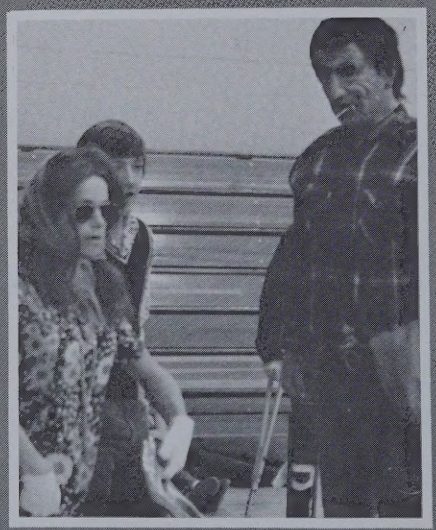


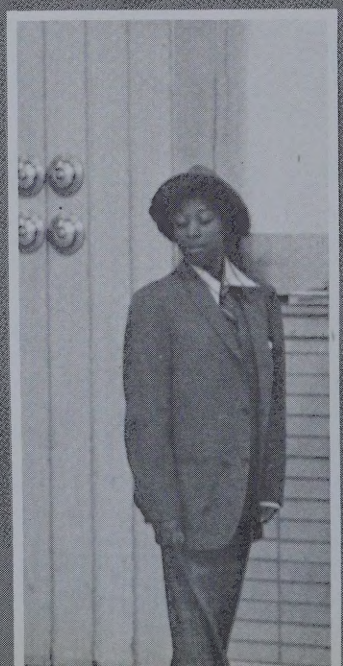
HALLOWEEN

The K.H.S. Student Council sponsored it's annual dress-up contest; the contestants gathered in the gym 2nd hour to be judged by members of the Student Council and Staff.

First place was awarded to Mr. Van Domelen and his crayons, second place to Amy Wise, and third to Brenda Cadaret.







FREE FAIR

The group Free Fair performed a concert at K.H.S. on November 9, during the fifth hour. They sang some of the most popular rock songs, and did a skit from Star Wars; Mr. Bohuis, Al Lemire, Loran Tate, and Nancy Karpinski were members of the cast. Free Fair also returned November 13 to give a night concert.

ABOVE — "I think we're going to be terminated."

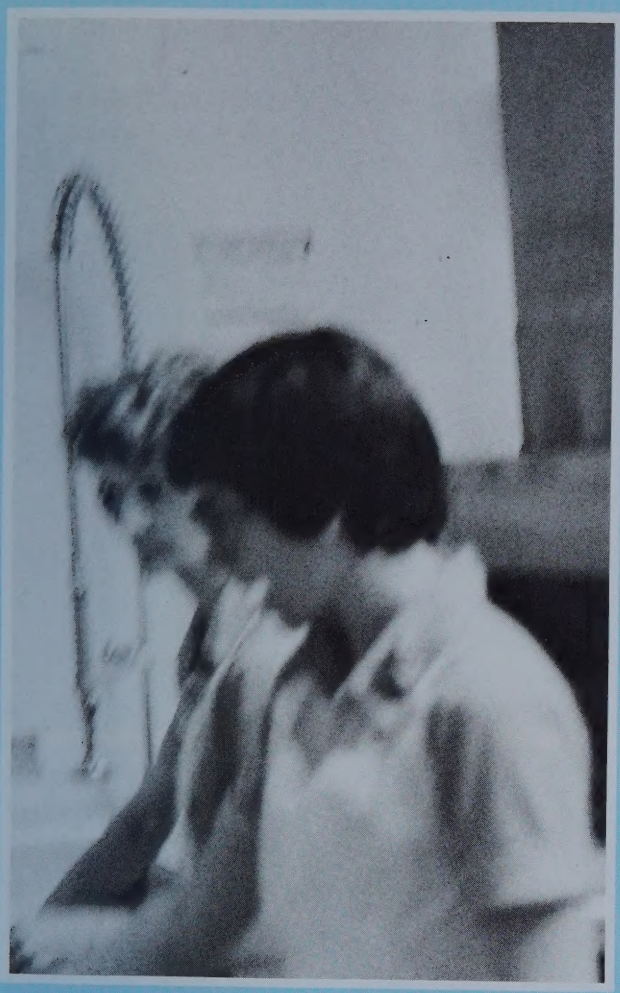
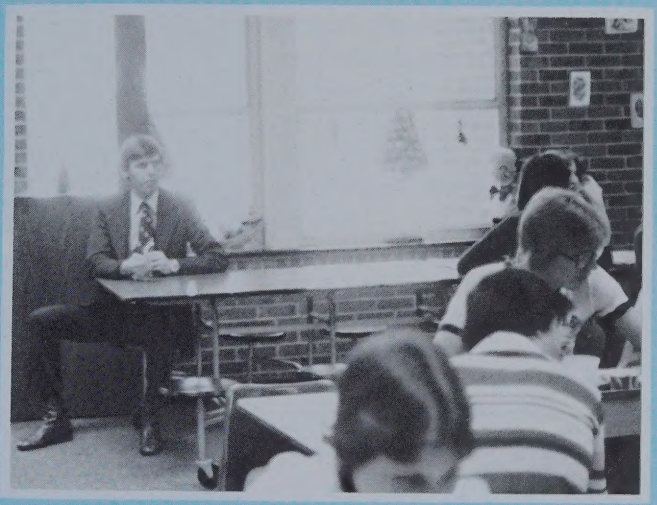
CAFETERIA

On September 7, 1978 students at the High School went through the serving line for the first time. The response to the new Cafeteria by the students is that of mixed feelings; "Kids don't always like what's good for them."





ANGEL STREET

"ANGEL STREET" written by Patrick Hamilton, was presented November 10, and 11; Under the direction of Mr. James Hoffman, with the following cast:

Mrs. Manningham ... Trisa Nevseta
Mr. Manningham ... Bill Malloy

While her diabolical husband is out of the house, a Police Inspector visits her and ultimately proves to her that her husband is a manical criminal, suspected of a murder committed 15 years ago in the same house; and that he is preparing to dispose of her. Then starts the game of trying to uncover the necessary evidence against Mr. Manningham.

EXCHANGE STUDENT

This has been a fantastic year! It seems so strange That when I'm writing this, I realize my school year here in the United states is almost over. Every one has been so kind to me.

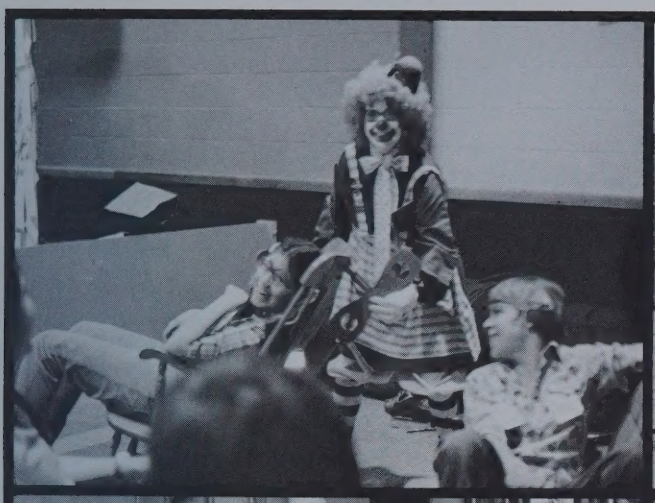
There are hundreds of things that I will never forget about this year, for example: my first pep assembly ... Home Coming ... Snow days ... senior trip, to Florida ... and a whole lot more!

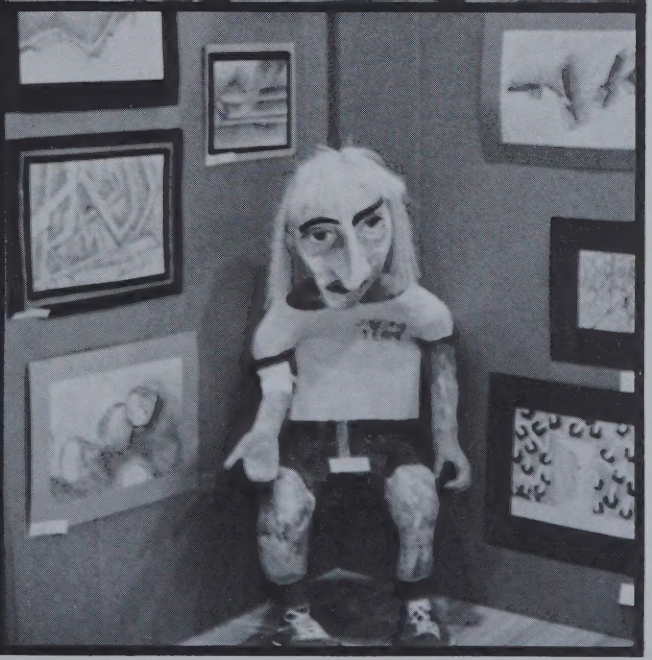
Knowing that I will miss you and the United States when I am back in Sweden it is my hope that I will be able to come here and visit you again.

Finally, I should like to thank all of you, wonderful people, who made this year such a nice experience for me.

Thank you,
Peter Landgren

Peter lived this year at the home of Mr. & Mrs. Ronald Lyon.





UNITY FESTIVAL

April 20 and 21, 1979, were the dates that the first Kelloggsville Unity Festival was hosted. The Unity Festival was planned and directed by the Unity Festival Committee, who deserve a big congratulations for planning and directing the Unity Festival so well — CONGRATULATIONS —

Our season was a good one. We defeated Byron Center during their Wally Week. We won the R & R trophy by beating Lee. And then we wound up defeating our close rival Godwin to end the season. The 1978 Junior Varsity football season's success could not be measured by the number of games won but by the improvement and total effort of the players. Offensively, we were slow and inexperienced, but on defense we hit hard and were respectable. The season ended on a "high" note with a victory over Godwin. Overall, the season was enjoyable, because the Sophomore class has a fine group of young men.

The team played some very fine games and gave the fans some very exciting entertainment. We had the misfortune of having some injuries in situations that really hurt our game, because we had only 9 players on the team. Hopefully more girls will take advantage of the opportunity to play basketball for Kelloggsville next year.

Kelloggsville moved this past year in league competition from the O.K. White to the O.K. Blue, whether that made the difference or not is irrelevent. The fact is Kelloggsville improved, breaking old records and setting new records, while still playing some strong class B schools.

The Rockets finished 8 and 10 for the season, tied for 4th. place in the league, and 2 and 2 in non-league. They advanced to the finals in District Tournament competition at Fennville before bowing out to a strong Hamilton team, gaining tournament experience for next year.

Some of the reasons for this success are Jim Smits, senor co-captain, scoring almost 16 points a game and leading in many categories like most assists, most recoveries, best field goal percentage in a game, most free throws in a row for one game, and best all around tournament play. Jim was voted to the O.K. Blue All Conference Team.

Gary Ferro, senior, co-captain, averaged close to 17 points a game. He was 9th in the league for free throw percentage and 5th in individual scoring. Gary was one of the quickest and best shooter in the league and many team respected his ability. He was also chosen to the O.K. Blue All Conference Team.

Brooks Lesert, senior, was probably the most improved player on the team, and his rebounding ability will surely be missed. Brooks holds the record for most rebounds in one game and most rebounds for the season.

Alan Dulyea, senior, was the steady, consistent player on the team. Alan averaged 8 rebounds and 8 points per game. Alan's best performance came during the district tournament when he compiled 34 plus points and 16 rebounds coupled with 17 points against Fennville to advance the team to the finals.

The rest of the team contributed to the total effort, and thus producing a successful and enjoyable year. — Coach Heinz

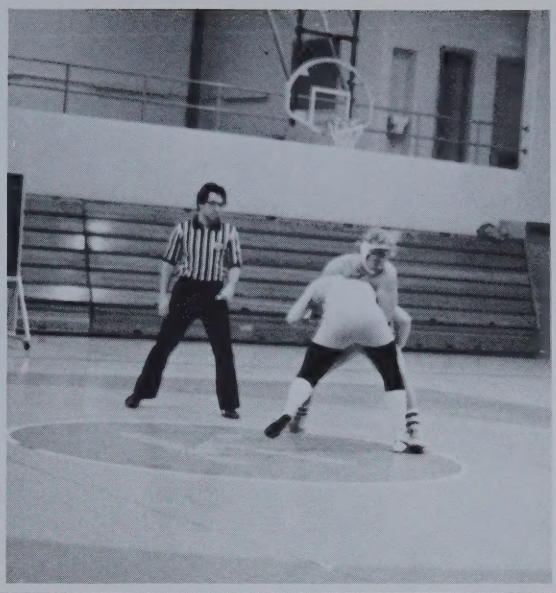
Season Record: 7-7
League Record: 1-6



The Wrestling Team was improved this year, but injuries and problems in the upper weights kept us from having an outstanding year. We did have three wrestlers with over 20 wins this year: Dale Gryzen 25-6-2, Dennis Boyle 22-11, and Rick Hudson 21-8. Dale Gryzen and Dennis Boyle qualified for the state meet, and Dale also was our only Conference champion. With a good number of fine wrestlers in our Jr. High and the Sophomores, we should be a contender in the future.

The boys track team this year was the smallest turn out in more then a decade. Fifteen young men did more than their share to carry quality competition to their competition. Many had to run four events with little rest in between. We crowned three champions in four events in the conference meet. Randy Wilson: High Jump, Dave McNeil: 440, Al Dulyea: Hurdles. Al Dulyea has Qualified for the state meet in the pole vault and low hurdles.

Despite a small team the 1979 season was successful in many ways. The team only lost three duel meets and scored well in the conference meet. Every member of the team scored in at least one meet and eight people were involved in setting new school records.

Lori Goodman and Sherrie Boot were among the top hurdlers in the area Lynn Mooney represented Kelloggsville and the OK Blue in the John Bos Relays. — Coach VanHoven

PUTTING IT ALL TOGETHER

Every school year is unique and individual. It's made up of daily events, both routine and extraordinary. The most important task of a yearbook staff is to capture the year as it happens, including all the things which make it a "one and only."

Working with this philosophy as a framework, the 1979 Century Staff spent a hectic 9 months producing the yearbook. Deadlines were are arch enemy, as they always seemed to creep up on us, bringing about "midnight" sessions and rush orders on pictures.

Layouts, copy, pictures, typesheets, grease pencils, and the ever present mess of our "disaster area" office became all too familiar during the year, as day after day, we crowded into it during the sixth hour.

Somehow, though, we made it, and the result is before you. Hopefully we've succeeded in fully covering this year as you saw it, and you'll be able to find in this book, the tings that made 1979 your year.

HONOR SOCIETY

The National Honor Society is an honorary organization with members selected by the faculty. A minimum of a 3.0 G.P.A. must be consistently achieved in order for a person to be considered for N.H.S. The four qualities that members should possess are: Scholarship, Leadership, Character, Service.

Our activities have consisted of three all-school breakfasts, a theater trip to Calvin College, a N.H.S. Workshop at Grand Valley State Colleges, our usual induction ceremony in the spring, and the annual pizza party at Mrs. Gordon's home.

Participants can develop an in-depth understanding of government and how to effectively participate in it. It is a multi-partisan forum and stays clear of any ideological slant. It stimulates interest in current political matters along with providing knowledge of basic concepts.

Kelloggsville students participated in the city and county programs in October, the state program in February, and the national program in May.

SENIOR TRIP

The journey began at the West parking lot on Friday, April 2; Shortly after 4:00 the parking lot filled with excited bodies. We were on our way! Our bad luck started when a U.F.T. (unidentified flying tire) was sighted by Brooks Lesert. Soon we discovered we were traveling with one less wheel. Our bad luck continued Saturday, when the reverse went out on bus B, and the guys had to push, and in Frosythe, Georgia we were smoked out of bus A. Despite the 5½ hour layover, everybody made the best of the situation. We arrived at the Hyatt House 3:00am Sunday. This was our schedule for the week: Sunday: we went to Busch Gardens to enjoy rides, animal, and most of all the "Hospitality Center" and its FREE BEER. Monday: we spent our day at Walt Disney World. Tuesday: was our day at DAYTONA BEACH. Wednesday: we visited Wet-n-Wild. Thursday: we spent the afternoon at Disney World. Friday: FREE DAY and dinner at the Polynesian Cove. Saturday: Sea World and back home.

DESIDERATA
Go Placidly
amid the noise & haste, & remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons; they are vexatious to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possion in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatige & loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, & whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery & broken dreams it is still a beautiful world. Be cheerful. Strive to be happy
